THE DIRECTOR AESA PROGRAMME
THE AFRICAN ACADEMY OF SCIENCES

Dear Sir / Madam

POSITION OF BUSINESS DEVELOPMENT MANAGER

Reference is made to the advert that recently appeared on your website. The career opportunity the job presents is irresistible and consequently I would like to be considered for this position.

I am a qualified Accountant / Auditor with a science background, currently working as a Consultant with Alines & Co, a Consultancy firm based in Kampala Uganda. I have over seventeen years of working experience in financial management and audit related assignments covering not for profit, public and private organizations in African region.

In addition, I have deep and wide understanding of governance, internal controls and risk management. Earlier in my career, I successfully handled a similar assignment under the Red Cross / Red Crescent movement, details of which are included in my brief cv. Given my science background, wide audit and financial management experience, I believe I am suitably placed to provide the required expertise to your organization.

I believe this opportunity will not only allow me broaden my career while using my skills, expertise and experience, but also make a contribution to the African Academy of Sciences. Attached is my brief curriculum vita, which provides further information and I believe you will find it suitable for the position.

Yours faithfully

Alex Twesigye
