

SANTHE

SUB-SAHARAN AFRICAN NETWORK
FOR TB/HIV RESEARCH EXCELLENCE

Advancing African Science, Fighting HIV/AIDS and TB

EXCEPTIONAL MASTERS, PHD & POST-DOCTORAL RESEARCHERS WANTED

These positions form part of a worldwide, cutting-edge research initiative aimed at empowering African scientists to drive back the TB/HIV epidemic on their continent. Thirteen successful candidates will join SANTHE affiliated research groups at their state-of-the-art facilities in South Africa and Uganda.

Mentored by leaders in their respective fields and with automatic membership to a large international, multi-disciplinary, international network of statisticians, epidemiologists, mathematical modellers, social scientists, clinical trialists, bioinformaticians and other scientific experts, SANTHE trainees will also enjoy stipends, access to a Thesis Advisory Committee, travel scholarships and consumable, and path-to-independence awards.

DEADLINE FOR APPLICATIONS: 4 NOVEMBER 2016
