

Collaborative Grant Application

Please submit completed forms to grants@santheafrica.org

SANTHE Collaborative Grants are intended to support collaborative research projects that enhance African capacity in HIV and/or TB clinical, social/behavioural, or biomedical science within SANTHE. Each award will provide up to \$50,000 USD for direct costs. All activities must be completed within two years of receipt of project funding. Please also include CVs of the Principal applicant and Co-Principal applicants and three letters of support. Please direct all questions to this email address.
