

COVER LETTER

I have 23 years financial management, financial reporting, accounting, compliance, operations/administration, IT, risk and investment management, treasury, board company secretarial and governance experience, legal, payroll, contract, HR, program and strategic networking experience in my working career.

I have held various senior positions including **Senior Manager: Finance, HR and Administration, Chief Finance and Operations Officer, Regional Finance Advisor, Finance and Operations Manager, National Finance Manager, Finance Manager, Principal Accountant and Principal District Accountant** among others. I have worked for **several International and Regional NGOs (specializing/focusing on Women's health and their reproductive rights, Youth development and HIV/AIDS management, Economic research and Climate change)**, private and public organizations including a Broadcasting institution, an Agricultural financial institution, an Electricity Generation and Distribution Company and Financial Consulting companies over my 23 years financial and operations management working career.

I have extensively traveled and worked in a number of Regional countries including **Nigeria, Kenya, Ghana, Ethiopia, Zambia, Zimbabwe and South Africa** in financial, accounting, compliance and operations management at senior level. Internationally, I have traveled to and worked in the **USA, the UK and Nepal**.

Regards

Edmore
